"You gotta have style. It helps you get down the stairs. It helps you get up in the morning. It's a way of life. Without it, you're nobody. I'm not talking about lots of clothes."

CREATIVE

"I think there is beauty in everything. What 'normal' people perceive as ugly, I can usually see something of beauty in it."

*"What's my style is not your style, and I don't see how you can define it. It's some thing that expresses who you are in your own way."*

"Fashion is very important. It is life-enhancing and, like everything that gives pleasure, it is worth doing well."
